

Natural Disaster Grant Fund

The **Natural Disaster USA Fund** was established by NGC in 1997 to receive monetary contributions from states, clubs and individuals for the purpose of assisting local and state clubs with their garden-related restoration efforts. This fund has helped to replant parks, municipal gardens and other garden related sites due to natural disasters caused by floods, hurricanes, earthquakes, tornadoes, ice storms and wildfires.

Grants of up \$5,000 per project may be awarded in a fiscal year to local or state clubs. The application form can be downloaded from the link below. The application must include the location of the site involved, nature and severity of the disaster, proposed restoration plan by the garden club, estimated itemized cost of the project, as well as funds received from outside sources. A scale of points guideline is used for determining the grant to be awarded. Applications are to be emailed to **Cindy Kozakewich**,
Chairman: Grants, Natural Disasters

The Natural Disaster USA Fund is supported solely by the generous donations of dedicated garden club members, and has extended a helping hand by awarding grants to many fellow garden clubs across the country. We ask for your contributions to keep this fund alive so that we will be able to continue to provide much needed assistance to clubs restoring garden-related areas devastated by any past, present or future natural disasters. Make checks payable to Natural Disaster USA Fund and mail to the attention of the NGC Treasurer, at Headquarters, 4401 Magnolia Ave., St. Louis, MO 63110-3492. All donations are tax deductible, and will be gratefully acknowledged!
